THE MILLION DOLLAR CLUB A PROUD HERITAGE

Members of the Million Dollar Club exemplify the highest caliber of real estate professionalism and service. In 1959, when Ewell G. Pope, Jr., recommended formation of the Club, twelve individuals qualified. As a result of its success in Atlanta, many REALTOR® Boards throughout the country, especially in Georgia, have patterned similar Clubs after the Atlanta Club. The roster of Charter Members includes some of Atlanta's most prominent leaders:

*R.M. Bush	*John O. Chiles	*Frank Carter
S.D. Sertich	*Ewell G. Pope	*Cone M. Maddox, Jr.
*James M. Crawford	*Alvin B. Cates, Jr.	*Noel C. Turner
*M.P. Sertich	Sam Massell, Jr.	*Sam Goldberg

The next year, membership in the Club increased to eighteen, with seven of the above qualifying for the second year. In 1993, the membership approved the restructuring of the Board into two organizations — the Atlanta Commercial Board of REALTORS® and the Atlanta Board of REALTORS®. This restructuring opened the two separate groups by their specialties. The 2017 Million Dollar Club of the Atlanta Commercial Board of REALTORS® consists of 501 members.

Membership in the Million Dollar Club of the Commercial Board is based on the personal production of at least four and one-half million dollars in real estate transactions by the individual applicant.

There are two categories of membership:

LIFE - Those who have qualified for any five years.

MEMBERS - Those who have qualified for the current year.

Reporting is based on volume and the Top Ten producers are recognized in the specialized fields of Investment, Industrial Landlord, Industrial Tenant, Land, Office Landlord, Office Tenant, and Retail. Top Producers are ranked by their pure volume in their respective category.

In 1980, the Board saw fit to create the most distinguished honor for members who consistently qualify for the Million Dollar Club. The honor was established as the Phoenix Award, to be presented to those who have qualified for the Million Dollar Club for ten years.

The acceptance of this award by Atlanta and our REALTORS® was so successful that a decade later an award was created for the next plateau: The Silver Phoenix Award, for those who have achieved membership in the Million Dollar Club for twenty-five years.

2013 marked the inaugural presentation of the Bruce B. Wilson Diamond Phoenix Award, recognizing forty-five years of Million Dollar Club membership. Bruce Wilson is an esteemed industry leader and the first member to achieve such a tremendous milestone. As such, the prestigious Diamond Phoenix Award has been established in his honor.

The rules for admission to the Million Dollar Club are strict and full membership in the Board is required. The Admissions Committee reviews very carefully each application and each one must be certified by the Designated REALTOR® as to the accuracy of the date, time, price and place of the transaction.

Kirk Rich, Chair, and the 2017 Committee spent many hours reviewing the applications for validity and accuracy.

THE ALVIN B. CATES AWARD

The Alvin B. Cates Award is one of the most prestigious awards of the Atlanta Commercial Board of REALTORS®. The trophy shall be awarded for a transaction that is considered to be outstanding, noteworthy and is based on creativity, ingenuity and skill, rather than on volume. The size or consideration of the transaction is not of special importance.

In 1937, Mr. Alvin B. Cates, Sr., presented to the Georgia Association of REALTORS® a large and beautiful sterling silver trophy with the request that it be awarded annually to the member of the association who completed the most outstanding real estate transaction of the calendar year.

The Alvin B. Cates award was presented almost every year to a member of the Atlanta Board for a commercial transaction. In the late 1950's the Georgia Association of REALTORS® retired the trophy to the Atlanta Board. Since then, the Atlanta Commercial Board continues to present this prestigious Award each year at the Million Dollar Club Banquet and the silver trophy is held by the recipient for one year until the next recipient is awarded.

Each year, the Committee is challenged with the task to select only one deal which will best fulfill the criteria to exemplify a commercial transaction considered to be extraordinary. We are proud of the long history of the Alvin B. Cates Award and of the outstanding REALTORS® who are the honored recipients.

L. FREDERICK GLASS, JR.
“ROOKIE OF THE YEAR” AWARD RECIPIENTS

The Rookie of the Year Award was established in 1999 to recognize an outstanding Young Council member who produced the highest volume in the Million Dollar Club amongst the Young Council of REALTORS® Million Dollar members. The winner to qualify must have only been in the Brokerage business for three years or less, and have an active membership in the Board and with the Young Council.

The name of this award is in honor of the late Fred Glass; a past Silver Phoenix Recipient, and a well-respected veteran and leader within our industry. Fred was a mentor and inspiration to so many young REALTORS® and he was the consummate broker who was “all about production”. We are proud to continue to recognize the legacy of Fred Glass and the many outstanding Young REALTORS® who are the honored recipients.
